
Light rail

L2 Randwick and L3 Kingsford lines improvement work

From Monday 2 to Wednesday 4 December

What we are doing

To maintain network safety, service reliability and to reduce the need for ongoing maintenance, we will be undertaking track maintenance on the network.

How this affects you

Noise and traffic impact

- Work will take place **nightly, from 10:30pm to 5:00am, Monday 2 to Wednesday 4 December.**
- Residents and retailers may hear noise associated with the use of vehicles, cranes, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to set-up and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

We understand this work can impact you and your neighbours and would like to thank you for your patience. The NSW Environment Protection Authority will be notified of this work.

From Monday 2 to Wednesday 4 December, midnight to 5am, call **8286 6189**.

Scan the QR Code to receive updates on works on the Sydney Light Rail.

L2 Randwick Line and L3 Kingsford Line weeknight full closures

From **Monday 2 to Wednesday 4 December**, nightly from **9pm to 1am**, L2 Randwick and L3 Kingsford Lines light rail services will not run due to planned trackwork and maintenance works.

During this time, use alternative transport including:

- Replacement bus services or regular bus services **between Central Chalmers Street and Randwick or Juniors Kingsford**,
- Train services, regular bus services or walking if able to, **between Circular Quay and Central Chalmers Street**.

Allow extra travel time and use the Trip Planner to see if your travel is affected.

All information is correct at time of printing and may be subject to change. Visit transportnsw.info regularly for service change updates.
