# Light rail

## L2 Randwick and L3 Kingsford lines improvement work

From Saturday 22 to Monday 24 February

---

### What we are doing

To maintain network safety, service reliability and to reduce the need for ongoing maintenance, we will be undertaking track maintenance on the network.

### How this affects you

#### Noise and traffic impact

- Work will take place **daily, from 2.30am Saturday 22 to 5.00am to Monday 24 February.**
- Residents and retailers may hear noise associated with the use of vehicles, cranes, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to set-up and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

We understand this work can impact you and your neighbours and would like to thank you for your patience. The NSW Environment Protection Authority will be notified of this work.

## Contact us

For enquires and feedback visit [transportnsw.info](https://transportnsw.info)

From Saturday 22 to Monday 24 February, midnight to 5am, call **8286 6189**.

### L2 Randwick Line and L3 Kingsford Line weekend full closure

From **Saturday 22 to Sunday 23 February**, L2 Randwick Line and L3 Kingsford Line light rail services will not run due to planned trackwork and maintenance works.

During this time, use alternative transport including:

- Replacement bus services or regular bus services between **Central Chalmers Street** and **Randwick** or **Juniors Kingsford**,
- Train services, regular bus services or walking if able to, between **Circular Quay** and **Central Chalmers Street**.

Allow extra travel time and use the Trip Planner to see if your travel is affected.
